Welcome

As the current president of the European Hip Society, I am more than happy to promote and to host the 15th Congress of the European Hip Society in Bern, Switzerland! The event will take place from October 12-13, 2023. Burning issues, newest developments as well as standards of modern hip surgery will be presented and discussed by international experts, industry partners and you all. The Congress will take place at the wonderful location called the Kursaal overlooking the old city of Bern and with a splendid mountain view provided there are good weather conditions.

I am looking forward to welcoming you.

Professor Klaus Siebenrock, M.D.
